300 Club

The development of the pitches at Suir Crescent has been made possible in recent years through the ongoing support of our 300 Club.

The results are now evident for everyone to see. Over the next year we hope, among other projects, to

- ▶ build a footpath from the road into the pitches,
- ▶ install new gates to secure and give access to the pitches,
- ▶ install floodlights to enable squads to train in Suir Crescent when the light fades.

- ▶ For €5 per week you can join our syndicate to play 50 lines in every National lottery draw and 50 lines in every Euro Millions draw for the next year and also be entered into a special draw for the confined members with prizes of €700, €200 and €100.

Only 10 spaces remain for the 2021/2022 cycle. Contact Pádraig Kirwan at 085 255 9739.

Weekend Roundup

Team of the Week goes to the Mens' 1B team who picked up their first win of the season. Always a nice feeling. Hopefully, this is a springboard for them to climb up the league.

The Boys U13B team put in a very gallant performance against a very strong Villa team. Great credit goes to Shane O'Neill and Jay Dunphy who pulled off some great saves in goal. **Player of the Week** goes to Ryan Byrne who battled hard throughout and managed to bag a goal for his efforts. The U11B team had a great result, putting 5 past Southend United. Likewise, the U13 squad were too strong for Stradbally and these results keep both Mooncoin teams towards the top of their respective tables.

Unfortunately, the U11A team's match against Bohs was called off late due to a vomiting bug going through the Boh's camp. Cappoquin/Railway were unable to field a team against our Girls' U16s team and the result was awarded to Mooncoin.
