## 300 Club

**FUNDRAISING:** We have fewer than 20 spaces left in our Confined Members' 300 Club. Our Finance & Development Committee has funded the development of our new facilities in Suir Crescent through the 300 Club.

We still have a lot of work to do and we need your help. €5 per week will enable you to join our lotto and euromillions syndicate, while raising funds for the further capital development at Suir Crescent. Further details are attached. If interested then please contact either your child's coach or Pádraig Kirwan (085 255 9739).

Our experience over the past 18 months has highlighted the importance of sport in the health and wellbeing of children. The 300 Club is central to our ability to provide the children with the facilities they deserve.
