The Saturday Roundup

A breathtaking weekend of games started with a busy Saturday. The U11A Boys were unlucky not to come away with all 3 points against Ballinroad A, after conceding a late goal. The U11B team are in flying form and are continuing their great start to the season with another emphatic win. **Ryan Sutton** got his second hat trick in 3 games and his 8th goal of the season.

The U13A team battled hard after going down 0-2. They got back to 2-2 but had a penalty go against them (2-3) and ended with a final score of 2-4. The U13B were beaten by Piltown but hopefully their day will come soon.

The Boys U15 match was postponed when the referee didn't turn up. They played a friendly instead against Bohs and won comfortably.

Seán Grace bagged a hat trick for the Men's Division 3 team in their 3-0 win over St. Paul's. This team has had a great start to the season and hopefully will be at the business end of the league table come the end of the season.

Our 4th Division Men's team had a great result in a 1-1 draw against Grannagh in Ozier Park on Saturday night. Clearly, playing on a better pitch suits the silky skills of the Over 35s.

The Sunday Roundup

The Girls U12s Team had a resounding victory against local rivals Piltown Blue in Suir Crescent. After 4 league matches without scoring a goal (and only conceding one) Mooncoin Celtic let loose with 5 goals and it could have been many more. **Siobhan O'Donnell** was the third Mooncoin Celtic player this weekend to score a hat trick. This was a fantastic team effort with every girl from 1 to 16 playing their part.

The Girls U16s Team were up against a formidable Bohs team, immediately after the U12 match, but they pulled off one of the wins of the season so far. Twice they went behind, but they kept fighting and ultimately ran out 3-2 winners against a Bohs team that had not lost a match in 3 years.

The U17 Girls lost out narrowly a few weeks ago to the Bohs U17s, and these two matches are real indications of the progress that have been made by both teams since our return from Covid. Huge credit goes to the coaches and to the girls for all of their hard work.

We also need to recognise **Noel Dobbryn** for the fantastic condition of the pitches over the weekend. It was hard to believe that matches were cancelled last weekend due to heavy rain.

Featured Sponsors

This week's featured sponsors are **Mooncoin Pharmacy** and **Dragonz Den**.

Marcello, our local pharmacist, sponsored a set of jerseys for the Girls U16s squad and it spurred them on a great win against Bohemians.

The Boys U11A team looked absolutely smashing in their new set of jerseys sponsored by **Dragonz Den**, a castle-themed children's soft play area in Carrigeen.

We are very grateful to all our sponsors and will feature them all in the coming weeks. The growth of the club in recent years has led to a massive increase in the number of teams that we field.

Kitting out our squads in our new kits would not be possible without the support of local businesses such as the Mooncoin Pharmacy and Dragonz Den. Over the coming weeks we will give a shout out to all the local business who have supported us by sponsoring jerseys and we would ask you to support them.
