Dear Parents, Guardians and Football Enthusiasts

We would like to invite you to volunteer in a coaching capacity for the 2022/2023 season. We are currently in the planning stage for next season and it is apparent to us that with the growing number of players we will need additional coaches to support this development. We currently have a number of squads with very large numbers and the only way of ensuring that these children get sufficient game time is for more parents to get involved.

While previous coaching experience is a bonus, it is not essential. The FAI run regular coaching courses and there is a lot of support available from the more experienced coaches within the club. Many of the current coaches had no previous football coaching experience prior to getting involved with Mooncoin Celtic.

Success can be measured in many ways; for some it is by counting the number of trophies or games won; for others it is by counting the number of players who turn out for the team week after week, year after year. Striking a balance between the two can be difficult but children want to be competitive as well as just participating.

The path to coaching is quite straightforward. New coaches need to complete the

1. FAI Garda Vetting process,
2. FAI Child Safeguarding Course (1 evening),
3. Player Development Plan (PDP)-1 course (1 full day on a weekend).

If interested then please contact our Child Welfare Officer, Sarah Corcoran at 085 770 0487 for further details.

Thank you in advance for your support.

Yours faithfully,

Kevin Dobbyn, Club Chairperson

50/50 Draw

Emma Sinnott won €334 in the most recent 50/50 draw. Emma is pictured here with Pauline Dermody, Mags and Kate Cronin from the Ladies Committee receiving her cheque.

Envelopes are available in local businesses and at training sessions for next weekend's draw.

The Ladies Committee donated its share of the most recent 50/50 Draw to support the **Mooncoin Stands with Ukraine** initiative.

€334 worth of medical supplies was purchased through Marcello's Mooncoin Pharmacy. Marcello very kindly matched this donation.

Last Man Standing

There were 60 fallers in the Last Man Standing this weekend, largely down to Man City and Southampton.

New for this years LMS is a leaders table, this is used in the case were LMS gets to the final game of the Premier League and there are still players remaining. As such there can only be one winner the leader in this table and at this point in time there are 9 players in prime position for the win.

Each player gets points for the number of goals scored by the winning team they pick each week. But one false prediction and a leader this week could be out of the competition altogether. Best of luck to all players for round 4 which will be played April 2nd 2022.
